

COLDWATER UPDATE

Monday January 30, 2012

The four councils, our negotiators and legal counsel are still working with Canada to iron out a few issues before the document packages can be finalized and sent out to our respective members. Until that work is completed a "Vote" date cannot be set. As soon as we can provide an update with some concrete information, the website will be updated. We are hoping to get a vote date established this spring. If you have any further questions please do not hesitate to contact us.

Sincerely,

Chief Donna Big Canoe
